

Re. : Response to Final Office Action mailed June 2, 2009
Appl. No. : 10/789,581
Filed : February 26, 2004

II. REMARKS

The Office Action allowed Claims 28, 29, 52 and 54-58, but rejected Claims 59-66. By the amendments above, Applicant has cancelled Claims 59-66. Thus, Claims 28, 29, 52 and 54-58 (which the Office Action stated were allowable) are currently pending. Accordingly, Applicant requests that a Notice of Allowance be promptly issued. If any further impediments to allowance of this application remain, the Examiner is cordially invited to contact the undersigned by telephone so that these remaining issues may be promptly resolved.

The Commissioner is hereby authorized to charge payment of any of the following fees that may be applicable to this communication to Deposit Account No. 23-3178: (1) any filing fees required under 37 CFR § 1.16 if such fees have not otherwise been paid; and (2) any patent application and reexamination processing fees under 37 CFR § 1.17 if such fees have not otherwise been paid. The Commissioner is hereby authorized to credit overpayment of any fees that may be applicable to this communication to Deposit Account No. 23-3178. If any additional extension of time is required, but has not been requested, please consider this a petition for the additional extension of time and charge any additional fees that may be required for the additional extension of time to Deposit Account No. 23-3178.

DATED this 1st day of October, 2009.

Respectfully submitted,

/Ryan N. Farr/ Reg. No. 52,882
